Business Banner Sponsorship

___ **One Banner** = \$250 (Choose front or back car circle)

___ **Two Banners** = \$400 (One banner in each car circle)

*** Please be advised-spaces are limited, first come first served***

Highland Lakes PTA would like to promote your business while partnering with you to support the school. The front and back car circles at the school are great area to place banners that will receive a considerable amount of exposure to families and staff members. This year the PTA is offering to have 4ft by 2ft banners made for each business that participates. The banners will stay up for the entire school year, providing our business partners with ample exposure, promoting a sense of community, as well as providing support for our students and staff. In addition, a picture of your banner will be featured on our social media site one time during the school year.

With the help of our community partners and families, the PTA was able to provide support to the school last school year in the following ways:

- | | | |
|---------------------------|-------------------------|--------------------------------|
| • Trunk or Treat | • FSA Testing Materials | • Field Day |
